## Why This Matters for Your Student

Getting a strong AP Music Theory score does more than boost a transcript. It can:

- Strengthen college applications
- Earn credit or placement in music programs
- Lower first-year course load and stress
- Build confidence before auditions and entrance exams

Parents: This is not “generic tutoring.”  
This is college-level guidance, delivered before college.

## What Your Student Gets

- ✓ Weekly live instruction for 6 weeks
- ✓ Full AP Theory content review
- ✓ Ear training, dictation, and sight-singing coaching
- ✓ Practice exams with feedback
- ✓ Test-taking strategy sessions with **college professors and theory experts**

Your student will know exactly what to expect on exam day — and how to perform under pressure.

## Who Teaches This Course

This workshop is taught by an **experienced college theory and AP Music Theory teacher** with a record of getting students to 4s and 5s.

Students also meet with **guest college professors and theory teachers** who share proven strategies for:

- Part-writing
- Harmonic analysis
- Aural skills
- Time management on the test

This is direct access to the people who teach this material at the college level.

## Is This Right for My Student?

This program is ideal if your student is:

- A junior or senior taking AP Music Theory or plans to take the AP Theory Exam in May
- Planning to apply as a music major or minor
- Strong in music, but wants more confidence with theory and aural skills
- A high achiever who cares about college admission and scholarship leverage

If that sounds like your student, this is for you.

## Course Snapshot
